HANLEY ANNOUNCES HEARINGS ON AIRPORT POLICE PAY AND REPORTS REQUIRED UNDER THE GOVERNMENT EMPLOYEES' TRAINING ACT

Rep. James M. Hanley (D-N.Y.), Chairman of the House Subcommittee on Employee Benefits, announced today that the Subcommittee would hold two sets of hearings during the week of June 21.

On Tuesday, June 22, the Subcommittee will hold hearings on bills designed to raise the pay of policemen at Washington National and Dulles International Airports. The primary bills under consideration are H.R. 3585 by Rep. William Scott (R-Va.), H.R. 4720 by Rep. William Ford (D-Mich.), and H.R. 7625 by Rep. Hanley. All these bills would provide a range of pay from GS-7, step 1 for privates (trainee) through GS-12, step 5 for chiefs. The Scott bill also contains provisions about workweeks for airport police.

The hearing will begin at 9:30 a.m. in Room 321 of the Cannon House Office Building. An additional hearing will be held on Thursday, June 24, if necessary.

Hanley also announced that a hearing would be held on Wednesday, June 23, on reporting requirements under the Government Employees' Training Act. H.R. 134 (Reps. Dulski and Corbett) would eliminate requirements that Congress receive individual

forms on all participants trained in non-governmental facilities for more than 120 days and those who receive awards incident to training in non-governmental facilities. The bill would not affect the requirement for an annual report summarizing all activities under the Government Employees' Training Act.

The hearing will begin at 9:30 a.m. in Room 219 of the Cannon House Office Building.

Hanley also announced that the hearings on the Interim Progress Report of the Civil Service Commission's Job Evaluation and Pay Review Task Force were being rescheduled for July 7, 8, and 13.

Anyone interested in testifying or submitting statements in connection with any of these hearings should contact the Subcommittee Staff Assistant, Richard Barton, at the above address or on 225-6295.
